- : Airline tickets cannot be issued with an "open" return. The airline ticket must show a return itinerary and travel dates.
- : Return travel must be completed by May 24, 2017.
- : You may not return earlier than the July 8th program end date without prior approval from Syracuse University. Please phone the school at 315-443-3471 if you need to return early.
- : ACADEMIC YEAR STUDENTS: Please note that the airlines can only confirm flights 330 days prior to flight date, therefore we will be able to request the new date when it becomes available.

MODIFICATIONS

- : Your ability to make changes to the itinerary is limited. Please read the information below and consider your plans carefully before purchasing your airline ticket.
- : Students must travel together on the outbound flight(s).
- : A limited number of modifications are permitted per group. Modification requests will be processed on a first-come, first-served basis.
- : Itinerary modification requests must be submitted in writing. To minimize fees, they should be submitted with the original reservation request. If a modification is required after the reservation form has been submitted, the request should be submitted by email. Changes cannot be made with the airline directly.

IMPORTANT INFORMATION ABOUT AVAILABILITY....In order to book or change any flights, seats must be available in a specific inventory, which is limited and is not guaranteed; a fare difference may apply. *Please be flexible with your dates and make changes early for best availability and to avoid disappointment.*

SUBMITTING A RESERVATION REQUEST FORM

- : Reservation request forms are due on or before March 4, 2016.
- : Reservation requests may be mailed, faxed, scanned and emailed or, if you're paying by credit card, may be [submitted online](#). Phone orders are not accepted.
- : Airline documents are issued based on the information you provide on the reservation request form. Syracuse University and/or Advantage Travel are not responsible for any fees incurred due to incorrect or incomplete information, so please be as accurate as possible when completing the reservation form.

PROCESSING YOUR RESERVATION / FLIGHT CONFIRMATION

- : Group flight requests are honored on a first-come, first-served basis.
- : If you are booking the round trip group flights online you may request an immediate email confirmation. If you plan to fax or scan and email the form, our agents will process your reservation request and email you the confirmation.
- : If you are requesting a deviation (flights from/to a different city, travel on an alternate date, connecting flights, etc.) you will receive the flight options by email after our agents have checked rates and availability. Requests for deviations are processed manually, so please allow a few days for our agents to research the options and send you pricing and itinerary choices.
- : Please review our emails carefully and notify us of any discrepancies so that unnecessary fees and penalties can be avoided.
 - **Your first, middle and last name must match your passport exactly.** (Middle names generally do not appear on airline tickets.)
 - Alternate arrangements will be offered if the dates/flights you request are not available. Therefore, it is also important that you **review your itinerary for accuracy.**
- : Should your group flight application form be received after seats on the group flight are sold out, Advantage Travel will do all possible to get you on the same flight as the group, although a fare difference may apply.
- : Most group flight participants will not see a seat assignment on the flight confirmation. Typically, the airlines reserve a block of seats for the group and allocate individual seat numbers at the airport on the day of departure.

DOCUMENT DELIVERY

- : Your airline ticket will be issued electronically. The e-ticket confirmation / itinerary is typically sent to the email address(es) you provide on the reservation request form 10-21 days prior to departure.
 - : Unless you request otherwise, your e-ticket will be issued round trip and the same confirmation and/or e-ticket number will apply to your return, so please do not delete this information after you reach your destination.
 - : If you have NOT received your airline documents within 7 days of departure, please call Advantage Travel at 800-788-1980.
- Note: Group tickets do not have bar codes that can be scanned. You will use your confirmation number for airline check in.

PAYMENT

- : Payments are due to Advantage Travel at the same time reservation requests are submitted. A \$50 late booking fee applies to reservation requests and/or payments received on/after March 5, 2016.
- : We accept MasterCard, VISA, Certified Checks and Money Orders. Personal checks are accepted as long as they are received on or before the form due date. A \$40 fee applies to all returned checks.

CANCELLATIONS

- : Fees apply for all cancellations after the reservation request form has been received.
 - If you cancel on or before April 7, 2016: Cancel penalty is \$450.00.
 - If you cancel on or after April 8, 2016: Cancel penalty is 100% of the total fare.
- : Failure to check-in on time and/or use any portion of your ticket invalidates the entire ticket and the document loses all value.
- : We highly recommend travel insurance to protect against unforeseen events (please refer to the Insurance section).

BAGGAGE

- : The airlines have very strict policies with regards to luggage, which are subject to change without notice. They have the right to charge for and/or refuse overweight, oversized or additional luggage. In order to be prepared on the day of departure, all travelers must reconfirm luggage allowances and restrictions directly with the airlines. You may phone Alitalia at 1-800-223-5730 or find information on the [Alitalia website](#).
- : Baggage policy is determined at the time of ticket issuance; not when payment is received.
- : For current information on what can and cannot be brought onto an aircraft, please refer to the [TSA website](#).
- : The inclusion of other airlines in your flight itinerary (e.g. adding a connection from your home town) may change the rules that you need to follow. In order to be prepared on the day of departure, it is our recommendation that you check the luggage rules of all airlines in the itinerary and follow the most restrictive rules.
- : If you have multiple tickets, you should expect to claim and recheck your luggage at connecting points (please allow adequate time between flights).
- : Federal law forbids the carriage of certain hazardous materials, such as aerosols, fireworks, and flammable liquids, aboard the aircraft. If you do not understand these restrictions, contact your airline or go to faa.gov/about/initiatives/hazmat_safety/.

ENTRY REQUIREMENTS

- : All U.S. citizens traveling abroad must possess valid travel documents, which may include a passport and/or visa. Different situations require different documents. *You do not need to be in possession of these documents to make flight reservations*, however, it is your responsibility to make sure that you have the proper documentation prior to travel. Any costs associated with the failure to have proper travel documentation (including but not limited to the loss of the entire ticket cost) is solely the responsibility of the traveler. You can familiarize yourself with the specific document requirements for the country(s) you are visiting by contacting the U.S. Department of State (www.travel.state.gov) or by contacting your study-abroad program coordinator.

TSA "SECURE FLIGHT" DATA

- : Advantage Travel must collect date of birth, gender and full name from all travelers in order to satisfy federal requirements mandated by the Transportation Security Administration (TSA). Advantage Travel cannot accept or process any reservation requests, with out this information. TSA'S privacy policy, as well as additional details can be found at www.tsa.gov using the keywords, "Secure Flight".

AIRPORT SECURITY

- : New security measures may result in additional searches and questions at the airport. Customers may be asked to turn on personal electronic or battery powered devices in order to demonstrate how they work. If, when requested, you are unable to turn your device on, you will not be able to travel with your device and/or be denied boarding. To help avoid delays to your journey please ensure you arrive at the airport with all your devices fully charged. Passengers can choose to place any uncharged or not working devices into their hold luggage at time of check in.

INSURANCE

- : You may want to consider purchasing insurance to cover unexpected medical/accident costs, damage or theft of personal property while you're abroad or to cover nonrefundable airline penalties.
- : **TRAVEL INSURED** offers an "Airline Ticket Protector" policy to cover non-refundable airfare costs that will work for most student travelers. They also offer more traditional coverage for vacation travel.
Travel Insured Website: www.travelinsured.com Phone 800-243-3174 Reference: 47200

SPECIAL SEAT ASSIGNMENTS

- : Since the airlines control pre-assigned seating, Advantage Travel can request, but cannot guarantee, specific seats. If you have specific seating needs due to a physical condition, please contact Advantage Travel prior to purchasing your ticket to determine if your seating needs can be accommodated.

SPECIAL MEALS

- : Most standard meal requests (i.e. vegetarian, kosher, low-fat, lactose free, etc.) can be honored on long-haul flights if they are requested at least 72 hours prior to departure.
- : Allergen-free meals and/or an allergen-free environment are not available on all services. If your allergy is severe, it is strongly recommended that you carry appropriate medicine in the event of a reaction. You must notify the airlines prior to travel if you have an allergy that could result in death.

MEDICAL CONCERNS

- : Air travel, in particular over long distances, exposes passengers to a number of factors that may have an effect on their health and well-being. Passengers with health concerns should consult their doctor and the airline prior to committing to travel.

DISINSECTION

- : Disinsection is permitted under international law in order to protect public health, agriculture and the environment. Some countries require insecticide spraying of aircraft. Federal law requires that we refer you to the [DOT's disinsection website](http://www.dot.gov/disinsection) for information on what countries require disinsection and how insecticides are introduced to the aircraft in those countries.

TRAVEL INTERRUPTIONS

- : Unfortunately, travel interruptions (schedule changes, weather, strikes, equipment malfunction, etc.) do occur and may cause disruption to your itinerary. Be prepared! Travel with extra money, cell phones and cell phone charger, clothes, and any necessary medication, etc. Advantage Travel is not responsible or liable for interruptions caused by the airlines, acts of God or others.
